AMERICAN SOCIETY OF PROFESSIONAL ESTIMATORS CH. 38

Please Join Us For Our July 27th Chapter Meeting

Union Terminal Restoration Site Visit

PRESENTED BY Steve Swisher, Senior PM, Turner Construction

Steve will be providing a behind the scenes tour of the ongoing construction to restore one of our local landmarks.

Steve joined Turner in 2000 as a field engineer and has since experienced many different roles with Turner. He has an impressive resume that includes many of our city's most recognized buildings. Being a part of these unique and highly-complex projects of significant volume highlights Steve's incredible ability to manage the intricate details while forecasting the progression of the project in a bigger picture.

Some of the other notable projects he's worked on aside from Union Terminal are:

- University of Cincinnati College Conservatory of Music
- Great American Tower
- Mercy Health—West Hospital
- University of Cincinnati Nippert Stadium
- Northern Kentucky University BB&T Arena

Thursday July 27, 2017 @ 4:00pm
Union Terminal, 1301 Western Ave. Cincinnati, OH 45203
Meet by Turner's construction trailer in front of the building in the south parking lot by 3:45pm.
