

**AMERICAN SOCIETY OF PROFESSIONAL ESTIMATORS CH. 38**

## **Please Join Us For Our Annual 11th HOUR BID DAY SIMULATION!**

### **Invitation to Bid!**

**PRESENTED BY  
Kevin Gilbert, P.E.—Current Chpt. 38 President**

In the mood for a rush?

Ever wonder what is going thru a general trades estimator's head as he or she attempts to compile a multi-million dollar bid?

Participating in this 11th Hour Bid Day Simulation is a great chance for subcontractor/supplier estimators to learn how the "other side" operates on bid day.

Architects, Engineers, Owners, Marketing Professionals, Accountants, Administrators, etc. will also benefit greatly from understanding the issues general trades estimators face on bid day.

Join us as we test your nerve to see if you have what it takes to compile the most responsible bid. This will be a fun filled and fast pace evening where you will learn the value of teamwork and the cost of hesitation.
